

I want to congratulate Rose Larson for her many years of public service. Often she worked behind the scenes with little or no credit, but her dedicated service and knowledge of her duties was instrumental in the successful operation of the congressional offices she worked in.

I want to wish Rose all the best in her retirement. I want to thank her for her great work ethic, her professionalism but most of all, her friendship.●

#### TRIBUTE TO GEORGE STRANDELL

● Mr. JOHNSON. Madam President, I wish today to recognize and commend George Strandell of South Dakota for his nearly 40 years of service to Golden West Telecommunications Cooperative, Inc. George is retiring after serving the past 8 years as general manager and chief executive officer of Golden West.

George worked for 19 years as a primary engineering consultant for the Golden West Telecommunications Cooperative before being hired as the company's outside plant engineer. He served in that capacity for 4 years before serving 8 years as district manager and then 8 years as general manager of Golden West.

Throughout his career, George had dedicated himself to building effective relationships and partnerships on behalf of Golden West and the independent telecommunications industry. He is well-respected throughout South Dakota, the region and Nation as an effective communicator, an administrator willing to tackle and resolve personnel and industry challenges and issues. He is able to effectively communicate to elected leaders and officials on issues affecting Golden West customers, employees, and the independent industry.

Throughout his career, he has always worked hard to put the customer first. He has helped expand and enhance Golden West's role in the industry, among allies and associates, but also improved the company's ability to serve rural communities and customers and the overall general public.

George provided steadfast oversight to the South Dakota Network, which was formed by a number of South Dakota independent telecommunications firms to offer customers more choice in long distance service. George spent considerable time and effort working with other managers to ensure the network's success to move voice, data, and video over 20,000 miles of fiber optics throughout the region. Access lines have increased under George from 31,000 in 2000 to 43,000 in 2008, as well as Internet access increasing from 5,000 to 23,000 in the same period.

On a national level, George has been a stalwart advocate in promoting and assisting the independent industry. He has served on numerous boards and committees that have advanced the promotion and understanding of the issues affecting the independent tele-

communications firms and their customers.

Over the years, I have relied on George's guidance and understanding of the many issues affecting the telecommunications industry. I have appreciated his insight and input and I want to wish him all the best in this well-deserved retirement. I know that whatever his pursuits in retirement, he will approach them with the same level-headed, calm, and committed approach that earned him deep respect over his accomplished career with Golden West.●
